

## Proposed Contact List — For Carbon X Review

**From:** Steve Abney, Agent, Walker Ranch Holdings  
**To:** Taylor Landress, Carbon X Credits  
**Date:** February 4, 2026  
**Re:** Proposed outreach targets — please confirm none have been contacted

---

Taylor,

Below is a list of potential carbon credit buyers I'd like to reach out to on behalf of Walker Ranch Holdings. These are strategic targets connected to the **Stargate data center project** in Texas (~90 miles from Walker Ranch), plus related companies with strong net-zero commitments.

**Before I reach out, can you confirm Carbon X hasn't already contacted any of these?**

---

### TIER 1: Stargate Equity Partners

#### Microsoft

Field	Value
Contact	<b>Melanie Nakagawa</b>
Title	Corporate Vice President, Chief Sustainability Officer
Email	melanie.nakagawa@microsoft.com
LinkedIn	linkedin.com/in/melanienakagawa
Net-Zero Goal	<b>Carbon negative by 2030</b> , remove all historical emissions by 2050
Why Target	\$1B Climate Innovation Fund, aggressive carbon credit buyer, Stargate tech partner, Azure expanding for OpenAI

#### Oracle

Field	Value
Contact	<b>Jon Chorley</b>
Title	Chief Sustainability Officer
Email	jon.chorley@oracle.com
LinkedIn	linkedin.com/in/jonchorley
Net-Zero Goal	Cloud sustainability focus, CEO Safra Catz quoted on sustainability
Why Target	Stargate equity funder, building data center infrastructure in Texas

#### SoftBank Group

Field	Value
Contact	<b>TBD — Sustainability/ESG Team</b>
Title	ESG Lead

Field	Value
Email	TBD (Japan HQ - may need intro through US subsidiary)
LinkedIn	TBD
Net-Zero Goal	ESG commitments through Vision Fund
Why Target	Stargate financial lead, Masayoshi Son is chairman, Japanese ESG pressure

## OpenAI

Field	Value
Contact	<b>TBD — Operations/Sustainability</b>
Title	TBD (may not have formal sustainability role yet)
Email	TBD
LinkedIn	TBD
Net-Zero Goal	Growing scrutiny on AI's carbon footprint
Why Target	Stargate operational lead, Sam Altman focus on AI + energy, need offset narrative

## MGX (Mubadala subsidiary, Abu Dhabi)

Field	Value
Contact	<b>TBD — ESG/Sustainability</b>
Title	TBD
Email	TBD
LinkedIn	TBD
Net-Zero Goal	UAE net-zero 2050 commitment
Why Target	Stargate equity funder, sovereign wealth fund with ESG mandates

---

## TIER 2: Stargate Technology Partners

### NVIDIA

Field	Value
Contact	<b>TBD — Sustainability Team</b>
Title	VP Sustainability or similar
Email	TBD (likely firstname.lastname@nvidia.com)
LinkedIn	TBD
Net-Zero Goal	Net-zero operations by 2025, Scope 3 targets
Why Target	Key tech partner — every GPU in Stargate has a carbon footprint

### Arm Holdings

Field	Value
Contact	<b>TBD — Sustainability Team</b>
Title	Sustainability Lead
Email	TBD
LinkedIn	TBD
Net-Zero Goal	Net-zero by 2030, strong ESG culture (UK-based)
Why Target	Chip architecture partner, publishes annual Sustainable Business Report

### TIER 3: Tangential — Big Tech with AI + Net-Zero Goals

These companies aren't directly part of Stargate but are:

- Major AI/cloud players with big carbon footprints
- Aggressive carbon credit buyers - Could use Walker Ranch credits for their Texas operations

#### Google / Alphabet

Field	Value
Contact	<b>Kate Brandt</b>
Title	Chief Sustainability Officer
Email	katebrandt@google.com
LinkedIn	linkedin.com/in/kate-brandt
Net-Zero Goal	Carbon-free energy 24/7 by 2030, water positive by 2030
Why Target	Massive data center footprint, aggressive sustainability goals, Texas operations

#### Amazon / AWS

Field	Value
Contact	<b>Kara Hurst</b>
Title	VP Worldwide Sustainability
Email	TBD (amazon email format varies)
LinkedIn	linkedin.com/in/karahurst
Net-Zero Goal	Net-zero by 2040 (Climate Pledge co-founder), 100% renewable by 2025
Why Target	AWS data centers in Texas, Climate Pledge Friendly program

#### Meta

Field	Value
Contact	<b>TBD — Sustainability Team</b>
Title	Sustainability Lead
Email	TBD
LinkedIn	TBD
Net-Zero Goal	Net-zero operations by 2030
Why Target	AI infrastructure buildout, data center expansion

## TIER 4: Tangential — Texas Energy & Infrastructure

These companies are involved in Texas energy/infrastructure and may have carbon offset needs or connections to Stargate.

### Oncor (Texas utility)

Field	Value
Contact	<b>TBD</b>
Title	Sustainability/Environmental Lead
Why Target	Major Texas utility, likely supplying Stargate, sustainability programs

### ERCOT-connected renewable developers

- **NextEra Energy** — largest renewable energy company
- **Invenergy** — major wind/solar developer
- **Pattern Energy** — Texas wind projects

### Data center developers/REITs

- **Digital Realty** — large data center REIT
- **Equinix** — data center provider with net-zero goals
- **QTS Realty** — data center developer

---

### Email Format Reference

Company	Likely Format
Microsoft	firstname.lastname@microsoft.com
Oracle	firstname.lastname@oracle.com
Google	firstname.lastname@google.com
NVIDIA	firstname.lastname@nvidia.com
Amazon	firstname_lastname@amazon.com
Arm	firstname.lastname@arm.com

---

### Questions for Carbon X

1. Have you contacted any of these companies already?
2. Any you'd prefer to handle directly vs. having me reach out?
3. Can you provide contacts for the "TBD" entries?
4. Any other Stargate-connected targets I should add?
5. Do you have relationships with any of these that I should know about?

Let me know and I'll proceed accordingly.

— Steve
